I. Recent Activities

A. Guest Speaker Program: Ambassador Bunker

Our third speaker in the Program, Ambassador-at-Large Ellsworth Bunker addressed a near-capacity audience (465) in the Auditorium on Tuesday, 11 December. He spoke from a prepared address on "Vietnam in Retrospect", which lasted 45 minutes and which was followed by a question-and-answer period of about 15 minutes. The Ambassador was highly complimentary of the Agency, citing the quality of its officers whom he knew abroad.

Mr. Colby introduced the Ambassador, then remained, seated on the stage, for the full presentation. The audience was particularly friendly and appreciative, giving the Ambassador a standing ovation.

A video cassette recording and an audio tape were made of the presentation. Announcement of the availability of the recordings and those of others of our previous speakers will be posted on the classified bulletin board on the first floor of the Headquarters Building.
